Actionwork tours North Somerset Schools with Anti-Bullying Roadshow 2007

In January and February 2007, Actionwork organised a tour of their anti-bullying roadshow Silent Scream, that was offered to North Somerset schools. The roadshow consisted of a show, a follow-up interactive workshop, a resource film and an anti-bullying lesson plan. The tour included visits to the following North Somerset schools: Worle secondary school, Wyvern secondary school, Mendip Green primary school, Sandford primary school, Yeo Moor primary school, Chuchill primary school, Priory Fields primary school, St Mary's primary school, Oldmixon primary school, Ashcombe primary school and St Martins junior school.

During the tour Actionwork performed the show and ran workshops with over 3000 North Somerset students and pupils.

The show is a high tempo drama, that does not preach but shows the consequesnces of bullying and the effects it can have on people. Straight after the show the touring troupe ran an active high-octane interactive workshop that got participants to share their ideas of dealing with bullying and gave them a chance to practice strategies they could use to prevent themselves from being bullied. The touring troupe worked with an average 300 students/pupils at a time.

The roadshow was very well received by both students and staff alike. The following is a selection of comments

made by students and teachers from North Somerset schools:

A very enlightening and empowering experience for pupils and staff alike. It left the pupils with a very clear and important message about dealing with bullying that they won't forget". Louisa Munton, Head, Sandford Primary School

"It was great to see all the students participating and coming up with practical solutions to bullying". Matt Lake, KS3 Coordinator, North Somerset school "It was absolutely fantastic, magnificent. Thank you". Nicky Monroe, Head of Year 8 Wyvern Secondary school

No funding was made available for this tour so Actionwork offered an introductory half-price offer to all North Somerset schools. The tour was oversubscribed and some schools were left disappointed, as the spaces filled-up very quickly. Actionwork would like to seek funding to enable it to tour the many other North Somerset schools that would like to have the roadshow visit them.
